PROFESSIONAL SUMMARY

I am Darshan, an Engineering student with a strong passion for technology, problem-solving, and logical thinking. I am committed to continuously enhancing my technical skills, building innovative solutions, and applying engineering concepts to solve real-world challenges. I am eager to learn emerging technologies and contribute effectively through teamwork, adaptability, and a growth-oriented mindset.

EDUCATION

ENGINEERING:(2023-2027)

- Currently Perceiving my 4th year degree in Sri Krishna Institute of Technology at Bangalore
- Maintaing the Overall Average Score of 7.3 CGPA

PUC :(2021-2023)

- Completed My Pre-University Colleging in Nisarga PU College in the year 2023.
- Secured 90% in the Examination

SKILLS

TECHNICAL SKILLS:

- Python
- Java
- HTML, CSS AND JS

CONCEPTS:

- DSA
- WEB DEVELOPMENT
- CLOUD COMPUTING

SOFT SKILLS:

- Teamwork
- Communication
- Time and Risk Management

PROJECTS

BASIC/MINI PROJECT:

E-LAB FOR DATA STRUCTURE AND ALGORITHM

- Developed a strong understanding of core data structures such as Arrays, Stacks, Queues, Linked Lists, and their operations including insertion, deletion, push, and pop.
- Enhanced problem-solving, algorithmic thinking, and programming skills through the implementation and visualization of fundamental DSA concepts.

ADVANCED/MAJOR PROJECT:

CLOUD INTRUSION DETECTION SYSTEM

- Learned to design and implement cloud security mechanisms using intrusion detection techniques, network monitoring, and threat analysis.
- Gained experience in anomaly detection, log analysis, machine learning-based attack detection, and real-time security monitoring in cloud environments.

CERTIFICATIONS

- AWS CERTICATIONS (WEB - SERVICES)
- IBM CERTIFICATIONS (CLOUD COMPUTING, ARTIFICIAL INTELLIGENCE, PROJECT MANAGEMENT)
- MICROSOFT CERTIFICATIONS (GENERATIVE AI, CYBER SECURITY)
- MATHWORKS CERTIFICATIONS (MACHINE LEARNING), WADHAWANI CERTIFICATIONS (PROBELEM SOLVING AND SELF-PRESENTATION)
- INFOSYS CERTICATIONS (FRONT END WEB DEVELOPER)
- SAYLOR.ORG ACADEMY (PYTHON FOR DATA SCIENCE)
